Thank you!

Your donation will transform your local community and will directly benefit the lives of young people, many of which have been homeless.

We help transform the lives of young people in North Tyneside, especially those that are most in need. From accommodation (tackling homelessness) through to the provision of training, support, advice, youth clubs, activities and services (such as our Mursery and Gym). We're there for young people.

Your support makes a real difference!
